Miscellaneous Information (Message Boards, shoulder width, detour roads, other improvements, etc.):
A Public Open House Meeting concerning the design of Twin River Safety Improvement Project is being held on Wednesday April 10th, 2024 from 4:00 PM to 6:00 PM at the Jefferson County Library - High Ridge Branch at 5680 Missouri PP, High Ridge, MO. To improve the safety and reduced crashes - Jefferson County is proposing to add 4' Type A2 Shoulders to both sides of the road, curve widening and increased radius adjacent to River Bend Dr., vegetation clearing for improved sight distances, new high friction pavement, new guardrail and retro reflective signing. Construction is scheduled for summer of 2026.
