Miscellaneous Information (Message Boards, shoulder width, detour roads, other improvements, etc.):

The proposed work includes the addition of 4' shoulders, enhanced warning signs and guardrail where warranted, new striping, ditching, and replacement of one box culvert. The horizontal and vertical alignment of the curve will be softened. At this time, the contractor, PCX Construction, will be clearing and grubbing with one lane closed to traffic. Tree clearing operations are estimated to be finished in April and full operations will resume in May. Please use caution along this segment of Hunning Road.
