Age of Structure: 1986  
Sufficiency Rating: 32.4%  
Load Posting: 7 Tons

*New Structure:*

Type/Length/Width: Concrete Box Beams - 48' Span - 32' Span Width

**Miscellaneous Information** (Message Boards, shoulder width, detour roads, other improvements, etc.):

The Commerce Drive Bridge Replacement project has begun construction on April 7th, and the contractor will be ready to set the concrete bridge beams on Tuesday, May 13th. With the length of the beams, the aerial overhead Ameren Power Lines, only having one lane of the bridge open, and the tight workspace, the contractor will be closing the bridge during the day for placing the new concrete box beams. The bridge will re-open to traffic once the bridge beams are set in place, the crane is dis-assembled, and the crane is moved off the job site later in the afternoon on May 13th. Please use an alternate route on Tuesday, May 13th. If there is inclement weather on Tuesday May 13th, the work will be postponed until the following day.
