**Miscellaneous Information** (Message Boards, shoulder width, detour roads, other improvements, etc.):

Above and Below Contracting will be resuming work during the first week of February. They will continue ditchline work between Kneff Road and south of Frisco Hill Road. Work on the MSE Wall, south of Frisco Hill Road, will begin as soon as the blocks are constructed and delivered to the site. The contractor will also continue widening Old Lemay Ferry, installing curb and gutter, along with a new asphalt overlay. All work will be completed utilizing flaggers for one-lane traffic control.

THIS IS FOR INFORMATIONAL PURPOSES ONLY

**What improvements are being made?**

- Adding four foot shoulders throughout the project limits, extensive grading, slope reinforcement and the implementation of retaining walls to accomplish this. The curve north of E. Rock Creek Rd. and Frisco Hill Rd. will be realigned, and the entire project will receive an asphalt overlay. The project limits are from 0.4 miles south of Regency Woods Pl. to Kneff Rd. The total project length is 0.73 miles.

**How does this project impact motorists on Old Lemay Ferry Road?**

- Work will be completed utilizing flaggers for one-lane traffic control.

**When will the project start and be completed?**

- The project started last year and has been paused due to utility conflicts. Work will resume February 5, 2026.
- The project is anticipated to be completed by May 29, 2026.

**How can I find out more information?**

- Six changeable message boards are in place on this project. Two are located on Old Lemay Ferry Road, one south of Seckman Road and the other is north of Old Hwy M. Two more are located at the intersection of Old Lemay Ferry Rd. at Kneff Rd. and East Dry Fork Rd. and the last two are at the intersection of Old Lemay Ferry Rd. at Frisco Hill Rd. and East Four Ridge Rd.
