VETO MESSAGE

Regarding Bill No.:

18-1160, A1, A2, A3

HILLSBORO, MISSOURI –Jefferson County Executive Ken Waller released the following statement regarding his Veto of Bill number 18-1160, A1, A2, A3

On December 6, 2018, the Jefferson County Council finally passed, by a vote of 6-0-1, Bill number 18-1160, A1, A2, A3. This Bill makes a number of changes to the Jefferson County, Missouri 2019 Proposed Budget. The changes move \$135,000.00 from various departments and accounts to the County Council's "professional services" line item. I have been told by the Council Chair, Don Bickowski, why the Council moved this \$135,000.00 into its own account. That reason given by Mr. Bickowski is not proper and involves setting aside money to pay bills that are not the obligation of the County to pay.

By way of background, on November 1, 2018, I submitted to the County Council a proposed budget for Fiscal Year 2019. Like all proposed budgets, this proposed budget was generated as part of a lengthy process involving information gathering and questioning of Elected Officials and Department Heads about the need for funds in their respective budget divisions. The result was a balanced, 2019 Proposed Budget. That budget appeared as part of Bill 18-1160 for consideration by the Council.

The Council made three amendments to Bill 18-1160. Amendment A-3 pulled \$135,00.00 out of the budgets of various departments only to place that money into the County Council's budget department under the line item "professional services." It appeared strange to me that the County Council would think that it needs so much money for "professional services" since the controversy surrounding the Cunningham Vogel & Rost bills was resolved months ago. The answer to why the County Council wants an addition \$135,000.00 in its budget was provided by Council Chairman Don Bickowski in a conversation that I had with him.

Mr. Bickowski informed me that the reason for the budget amendment was to pay the bills of another law firm, Schultz & Associates, LLP, which Mr. Bickowski informed me had already reached \$85,000.00. Schultz & Associates is the firm that the County Council engaged to defend the Council in the *Joshua Hawley v. Renee Reuter, et al.* case.

That suit was filed early this year by the Missouri Attorney General. The Attorney General alleged that Councilwoman Renee Reuter and the County Council had violated the Missouri Sunshine

Law. After that suit was filed, I sent a letter, on January 26, 2018, to all Council Members. The letter said that due to the nature of the allegations, the County would not provide a defense or indemnify the County Council Members in the case. As a result, Mr. Bickowski and the other Council Members met with attorney E. Robert Schultz, of Schultz & Associates during a February 5, 2018 closed session. Following that closed session, Mr. Bickowski, while speaking in open session, publicly announced that the Council had engaged Mr. Schultz and his firm to represent them in the *Hawley* case "at no obligation to the County." In fact, Mr. Bickowski twice said that the representation by Mr. Schultz's firm was to be "at no obligation to the County."

If Mr. Schultz was engaged "at no obligation to the County" why do Don Bickowski and the Council need \$135,000.00 to pay his bills? There should be no bills to the County. The County has no written contract with Mr. Schultz or his firm and Mr. Schultz cannot legally bill the County for his services.

Thus, I must veto this bill. I cannot allow Mr. Bickowski and the Council to take money from the budgets of other departments to pay bills that are not the obligation of the County. Mr. Schultz and his firm were not hired by the County, are not defending the County, have no contract with the County, and were supposed to, according to Mr. Bickowski, represent the County Council Members "at no obligation to the County." Yet, Mr. Bickowski and the Council want to use taxpayer's dollars to pay them!

It is important to also consider where the money to pay these supposed Schultz & Associates bills will come from:

\$50,000.00 came from the County Counselor budget. This money was to be used for employing special county counselors, in accordance with the County's purchasing policy, in the event of conflicts of interest and for use in retaining expert witnesses or other professional services needed to defend the County in litigation.

\$40,000.00 comes from fuel. This could well affect the County's Sheriff's Department and other county services late next year.

\$30,000.00 was taken from funds for Port Authority grant match.

\$12,000.00 comes from the County Collector Budget. It is my belief that this is nothing more than a vindictive jab at the County Collector. It was the Collector who employed Mr. Tony Dorsett after the Council illegally cut, what amounted to, Mr. Dorsett's salary out of the 2018 budget, mid-year, forcing him to resign.

\$3,000.00 came from Facility Services for supplies.

Finally, I am concerned about possible conflicts of interest that may exist for certain County Council Members. Councilman Phil Hendrickson, District 3, has a son-in-law who is employed by the Sheriff's Department. I question whether he should vote on a budget that contains the salary for his son-in-law.

Councilwoman Renee Reuter, District 2, is married to the Circuit Clerk, Mike Reuter. Although Mr. Reuter's salary is paid by the State of Missouri, his operating budget includes almost \$30,000.00 of County money. I question whether she should vote on a budget that directly impacts her husband.

For these reasons, I veto Bill 18-1160, A1, A2, A3.

Sincerely,

A handwritten signature in black ink that reads "Ken Waller". The signature is written in a cursive, slightly slanted style.

November 1, 2018

To the County Council and the Citizens of Jefferson County:

It is a privilege to present the Fiscal Year 2019 proposed budget for Jefferson County, Missouri. The annual budget for Jefferson County serves as the foundation for financial planning and provides legal spending authority for the County's elected officials and appointed department heads. The preparation of the 2019 Jefferson County Budget continues the trend of challenging budgets that we have experienced over the past several years. However, despite the challenges, each of the funds contained within the 2019 budget are balanced.

The 2019 budget, will not adversely affect the programs currently offered by Jefferson County. However, expenses of both goods and services required to maintain programs to serve our citizens will continue to grow faster than the revenues to support those programs.

As in prior years, Jefferson County will continue to review its financial operations through on-going internal and independent fiscal review. The Auditor of Jefferson County has developed policies and procedures that, according to external auditors, ensure expenditures are compliant with standard accounting practices. These policies and procedures will continue to form the basis of our internal auditing program. Accordingly, there are no plans to change current financial policies.

Resolution R13-0508 passed and adopted by the County Council on May 28, 2013 established a fund balance policy for Jefferson County. The policy states in part that it is the recommendation of the County to maintain an appropriate unassigned fund balance in the general fund equal to seventeen percent (17%). It is my opinion, as the County Executive, that the key to financial stability is to closely monitor revenues and expenditures, while maintaining adequate levels of reserves to ensure financial responsibility. These efforts will provide flexibility for any needed adjustments in response to economic conditions.

On November 6, 1979, the voters of Jefferson County approved the imposition of a countywide sales tax for the operation of Jefferson County government. The change from a second-class county to a first-class county reduced the ad valorem tax rate to a level substantially lower than was required to fund the operations of Jefferson County. To respond to this financial crisis, the then County Commission placed an issue before the voters of the County to partially fund the operation of County Government through a tax on economic activity. A tax on retail purchases was the primary vehicle chosen because such a tax would spread the cost of government across multiple sources, including individuals traveling through Jefferson County. The ballot language provided that the sales tax would be imposed, and the County property tax would be reduced annually by fifty percent (50%) of the total amount of sales tax revenue collected. From 1980, the first year the tax was collected, until 1983, both a property tax and a sales tax were collected. However, from 1984 to 2008, sales tax receipts were sufficient to roll back the property tax levy to zero. In 2009, because of several factors, including the national recession, sales tax receipts were insufficient to fully roll back the property tax levy. As a result, the County levied a property tax as authorized by the 1979 ballot measure.

In 2014, the General Revenue property tax levy was \$0.0238 or slightly less than three (3) cents per one hundred (100) dollars of assessed valuation. This generated an estimated \$708,111 for General Revenue funds. In 2015, the County Council approved, and the County Executive signed into Ordinance, a roll back of the General Revenue property tax to \$0.009 per one hundred (100) dollars of assessed valuation, generating an estimated \$27,400 for General Revenue funds. In 2018, the County Council approved, and the County Executive signed into Ordinance, a roll back to \$0.00. The imposition of the property tax after twenty-five years clearly demonstrated the importance of increased retail spending by Jefferson County residents in Jefferson County. The ad valorem tax has been an important source of

revenue for the County and proven to be an essential source of cash flow for County departments and divisions during periods of low retail sales.

Some key points regarding the 2019 Jefferson County Budget are as follows:

General Revenue

General Revenue projections reflect an increase from the previous year. The projected revenue for 2019 is \$28,207,464. As previously enumerated, significant portions of Jefferson County's revenues are dependent on fees and sales tax generated from a strong economy. Although sales tax revenue has increased slightly, other areas have seen decreases in fees. It is projected that at the end of this budget year, Municipal Court receipts will have declined \$1,501,730 since 2014.

Transfers from General Revenue

The total amount that will be directly allocated from General Revenue to Law Enforcement in 2019 is \$1,994,945. In addition, in accordance with state statute, \$122,214 will be transferred to the Department of the Assessor. Funds in the amount of \$691,088 will be transferred to the Capital Improvement Fund for debt service payment.

Salaries and Benefits

The amount budgeted for salaries and benefits contained in the General Revenue fund for 2019 is \$ 12,579,323. The 2018 budget contained a 3% cost of living increase for all County employees. The 2019 budget contains a proposed 1.5% cost of living increase for all County employees. There are no new positions contained in the 2019 budget in the General Revenue Fund.

There are eighteen new positions proposed in the 2019 budget from various other funds. One new position is budgeted in the Department of Assessor, three new positions are budgeted in the Department of Public, and fourteen new positions are budgeted in the Department of Sheriff.

Capital Expansions

There are several capital projects proposed for 2019. This includes \$915,344 of proposed improvements and renovations of County facilities.

Road and Bridge

The Road and Bridge fund budget for 2019 is anticipated to be \$16,517,243. Road and bridge funds are received from a variety of sources. Additionally, the County will also have available reimbursement grants for federal aid projects totaling approximately \$3,204,605. These grant funds are included in the overall 2019 Road and Bridge fund budget. The County will have available \$9,958,760 in Capital Improvements Road Tax funds for projects.

In 2019, there will be five major asphalt overlay projects; approximately sixty-five road miles of pavement preservation projects on County maintained roads; approximately two miles of major repairs to subdivision streets; one roadway reconstruction project; two bridge replacement projects; and four intersection reconstruction projects to be either bid out under contract or completed by the Highway Division crews. In additions, there will be two intersection reconstruction projects; eight roadway reconstruction projects; along with nine ridge replacement projects that will either begin or continue engineering design in 2019.

Lease Payments

The 2019 General Revenue budget includes \$108,598 for the second payment of the 2018 lease-purchase agreement for purchased fleet vehicles. In addition, there are thirteen new vehicle lease-purchase in the amount of \$148,000 contained in the 2019 budget. This will be the first year of a three-year lease-purchase. This purchase will include vehicles for the following departments or divisions: Sheriff, Maintenance, Animal Control, Solid Waste, Juvenile, and Emergency Management.

In addition, the Department of Sheriff has budgeted thirteen additional vehicles amount of \$481,000, the Department of Assessor has budgeted for one vehicle for \$25,000, and the Public Works Department has budgeted for the purchase of nine vehicles in the amount of \$415,000.

County Debt Position

The County currently has no long-term debt. The *Standard & Poor's Rating Services* has given Jefferson County an *Insurer Credit Rating (ICR)*, Long Term Credit Rating, of AA/Stable. The ICR reflects the County's general creditworthiness. The County is contingently liable for several items, including the *Buena Vista Neighborhood Improvement District*, the *Berthold Estates*, *Claraned Heights*, *Fenton Forest*, *Primrose Lane* and *San Marina (BCFPO) Neighborhood Improvement District*, and the *Mark Drive Neighborhood District*. The County also has several additional issuances that are subject to annual appropriations. These generally involve the issuance of Certificates of Participation or Leasehold Revenue Bonds that are payable only upon the appropriation of funds in the annual budget. For 2019, in accordance with the requirements of the Home Rule Charter, all current appropriations have been included to meet the issuance requirements.

Conclusion

Although the proposed budget for the fiscal year beginning January 1, 2019 presents a series of continuing and new challenges for Jefferson County Government, the County has a stable financial footing due to responsible and conservative fiscal management. The budget provides the funding that is required to deliver essential services to the citizens of Jefferson County. I am very optimistic that our brightest days are ahead.

I respectfully submit the proposed balanced 2019 budget to the County Council and the Citizens of Jefferson County this 1st day of November 2018.
