12. Anticipated Utility Impact: Yes Electric Ameren MO

13. Approximate Utility Cost: TBD

14. Existing Bridge Rating and Load Posting: N/A

15. Construction Contract Award: TBD

Funding Source: 80% Federal 20% Local

16. Contractor: Not Yet Bid

17. Estimated Construction Start Date: Spring 2028

18. Estimated Construction Completion Date: Fall 2028

19. Attachments: Preliminary Plans

20. Project Details:

The project will include adding safety features along Romaine Creek Road between Caleb Crossing and the intersection of Saline Road and Konert Road with Romaine Creek Road. Existing conditions of the project limits include varying lane widths, no shoulders, sharp turns, and deep ditches. Jefferson County is proposing adding 4' type A3 shoulders to both sides of the roadway, new enhanced warning signs, guardrail where warranted, and a retaining wall if deemed necessary. Driveway pipes and roadway conditions will also be evaluated to determine if new pipes need to be installed.
