

NOTICE OF OPEN HOUSE PUBLIC MEETING

Walk-Bike Jefferson County Master Plan

Notice is hereby given to all interested persons of an open house public meeting to seek public input, as well as educational purposes related to the countywide effort to develop a bicycling and pedestrian master plan. The meeting will be held at Antonia Middle School, located at 6798 Saint Lukes Church Road in Barnhart, MO 63012 on Thursday, June 6, 2024, from 4:00 PM to 7:00 PM. This is an informal presentation of the project in which you may come and go at your convenience. Access is available for individuals requiring personal assistance.

The County and consultant team will be on hand to explain the planning effort, seek public input/comments, and introduce the project engagement resources. These resources will include the project website, map, social interactive engagement, and project survey. Written statements will be received and made part of the public meeting record if received within ten (10) working days after the date of the meeting. Public comments are strongly encouraged. Everyone is welcome to hear more about the project and provide their feedback on walking and biking in Jefferson County.

Jefferson County, Missouri announces the Walk Bike Jefferson County Plan. This effort focuses on linking together Jefferson County's community assets and designing a network for walking and for biking that improves safety, comfort, and accessibility. The Walk Bike Plan will identify opportunities to make that vision a reality.

“Please be Advised: Members of the County Council may be in Attendance at the Meeting.”

If you require personal assistance at the public meeting, please notify the Jefferson County Department of Public Works by June 4, 2024, at 636-797-5340 so that arrangements for services can be made.

For more information, visit the project website: <https://walk-bike-jefferson-county-jeffsnctybkwlk.hub.arcgis.com/> or you can find more information at <https://www.jeffcomo.org/160/Projects>. Here you can find more detailed project experience and learn about ways to get involved, complete an online survey about your walking and biking experience, and share input via an online mapping tool.
