Defendant.

Case No.

Division 3

ACKNOWLEDGMENT OF 24.035 RIGHTS

After being sentenced to a term of imprisonment in the custody of the Department of Corrections, defendants must be advised of their rights under Missouri Supreme Court Rule 24.035 to file a Motion in the Court to vacate, set aside, or correct the judgment of conviction or the sentence.

This would apply if you claim that:

- A. Your conviction or sentence violates the Constitution or laws of Missouri, or the Constitution of the United States; or
- B. This Court was without jurisdiction to impose the sentence; or
- C. The sentence imposed was in excess of the maximum sentence authorized by law.

- This rule provides the exclusive procedure by which you may seek relief in this Court for the above claims.
- The form to be used is provided by the Missouri Supreme Court Rules, and it will be made available to you upon your request. No cost deposit is required to file this motion.
- If you do not file this Motion within 180 days after you are sentenced, such failure to file will be a complete waiver of your rights to proceed under this Rule.
- If you file such a Motion, you must include every claim known to you for vacating, setting aside or correcting the judgment or sentence.
- If you are unable to afford an attorney and file your own Motion, an attorney may be appointed to assist you.

A written request for a hearing must be made within the required time limits. If no timely request for hearing is made, none will be held.

I have been informed of the above rights.
