HOME SERVICE OIL COMPANY
JEFFERSON COUNTY “LOCAL FUEL & FUEL MANAGEMENT
SERVICES BID” 2013
FOR
COMMERCIAL SERVICE STATION LOCATIONS

“OUT OF COUNTY FUELING LOCATIONS”

Commercial Service Station locations outside of the local Jefferson County area will be available through a separate fleet card system and billed on a weekly or monthly basis to the Jefferson County Fleet Department. Pricing would be as posted at that location at time of fueling. Home Service Oil Company would work with the County to setup the account and acquire the needed number of cards. Billing would be similar to the current system in place.

The system will operate off of the Fuel Man Network which offers approximately 43,000 locations nation wide. In Missouri approximately 1,781 locations of which the entire list has been provide – see attached. An example of some surrounding state locations available: Arkansas: 1092 locations, Indiana: 874 locations, Kentucky: 924 locations, Illinois: 1651 locations, Ohio: 1971 locations, and Oklahoma: 2130 locations. Most other states would have similar representation.
