<p>Shall the Board of Education of the De Soto #73 School District, Missouri be authorized to increase the operating tax levy by \$0.1500 per one hundred dollars of assessed valuation in order to provide additional funds to address safety and security initiatives within school facilities, and meet the associated operating expenses of the District?</p>	
<p>(The District intends to reduce the debt service levy by \$0.1500 per one hundred dollars of assessed valuation in order to offset the estimated \$0.1500 per one hundred dollars of assessed valuation increase to the operating levy and will result in no net increase to the total tax levy if this Proposition is approved by the voters. Approval of this proposition is estimated to increase the District's adjusted operating tax levy to \$3.5735 per one hundred dollars of assessed valuation and will be applied to the assessed valuation in tax year 2019 and each year thereafter.)</p>
