**JUDICIAL BALLOT**

**STATE OF MISSOURI**

Submitting to the voters whether the Judges named below, whose terms expire December 31, 2010, shall be retained in office for new terms.

**VOTE ON EACH JUDGE**

**MISSOURI SUPREME COURT JUDGE**

Shall Judge ZEL FISCHER of the Missouri Supreme Court be retained in office?

YES	33433
NO	22669

**MISSOURI COURT OF APPEALS JUDGES, EASTERN DISTRICT**

Shall Judge MARY KATHRYN HOFF of the Eastern District Court of Appeals be retained in office?

YES	33242
NO	22762

**CONSTITUTIONAL AMENDMENTS**

**CONSTITUTIONAL AMENDMENT NO. 1**

Proposed by the 95th General Assembly (First Regular Session) SJR 5

Shall the Missouri Constitution be amended to require the office of county assessor to be an elected position in all counties with a charter form of government, except counties with a population between 600,001-699,999?

It is estimated this proposal will have no costs or savings to state or local governmental entities.

YES	50742
NO	12373

**CONSTITUTIONAL AMENDMENT NO. 2**

Proposed by the 95th General Assembly (First Regular Session) HJR 15

Shall the Missouri Constitution be amended to require that all real property used as a homestead by Missouri citizens who are former prisoners of war and have a total service-connected disability be exempt from property taxes?

The number of qualified former prisoners of war and the amount of each exemption are unknown, however, because the number who meet the qualifications is expected to be small, the cost to local governmental entities should be minimal. Revenue to the state blind pension fund may be reduced by \$1,200.

YES	45176
NO	18754

**CONSTITUTIONAL AMENDMENT NO. 3**

Proposed by Initiative Petition

Shall the Missouri Constitution be amended to prevent the state, counties, and other political subdivisions from imposing any new tax, including a sales tax, on the sale or transfer of homes or any other real estate?

It is estimated this proposal will have no costs or savings to state or local governmental entities.

YES	57831
NO	7488

**STATUTORY MEASURES**

**PROPOSITION A**

Proposed by Initiative Petition

Shall Missouri law be amended to:

- repeal the authority of certain cities to use earnings taxes to fund their budgets;
- require voters in cities that currently have an earnings tax to approve continuation of such tax at the next general municipal election and at an election held every 5 years thereafter;
- require any current earnings tax that is not approved by the voters to be phased out over a period of 10 years; and
- prohibit any city from adding a new earnings tax to fund their budget?

The proposal could eliminate certain city earnings taxes. For 2010, Kansas City and the City of St. Louis budgeted earnings tax revenue of \$199.2 million and \$141.2 million, respectively. Reduced earnings tax deductions could increase state revenues by \$4.8 million. The total cost or savings to state and local governmental entities is unknown.

YES	48585
NO	16672

**PROPOSITION B**

Proposed by Initiative Petition

Shall Missouri law be amended to:

- require large-scale dog breeding operations to provide each dog under their care with sufficient food, clean water, housing and space; necessary veterinary care; regular exercise and adequate rest between breeding cycles;
- prohibit any breeder from having more than 50 breeding dogs for the purpose of selling their puppies as pets; and
- create a misdemeanor crime of "puppy mill cruelty" for any violations?

It is estimated state governmental entities will incur costs of \$654,768 (on-going costs of \$521,356 and one-time costs of \$133,412). Some local governmental entities may experience costs related to enforcement activities and savings related to reduced animal care activities.
