CERTIFICATION OF ELECTION RESULTS
BY VERIFICATION BOARD

The following is a complete return of the General Election held in Jefferson County on Tuesday, November 5, 2002.

CONSTITUTIONAL AMENDMENT NO. 2

Proposed by Initiative Petition

Shall Article XIII of the Missouri Constitution be amended to permit specified firefighters and ambulance personnel, and dispatchers of fire departments, fire districts, ambulance districts and ambulance departments and fire and emergency medical services dispatchers of dispatch agencies, to organize and bargain collectively in good faith with their employers through representatives of their own choosing and to enter into enforceable collective bargaining contracts with their employers concerning wages, hours, binding arbitration and all other terms and conditions of employment, except that nothing in this amendment shall grant to the aforementioned employees the right to strike? The annual costs to paid fire departments and districts, ambulance departments and districts, and dispatch agencies to enter into collective bargaining contracts are approximately \$251,600 to \$3,145,000, depending upon the number of entities entering into such contracts.

Yes 30,625

STATUTORY MEASURE

Proposition A

Proposed by Initiative Petition

Shall Missouri law be amended to impose an additional tax of 2.75 cents per cigarette (fifty-five cents per pack) and 20 percent on other tobacco products, with the new revenues placed into a Healthy Families Trust Fund to be used for the following purposes: hospital trauma care and emergency preparedness; health care treatment and access, including prescription drug assistance for seniors and health care initiatives for low income citizens, women, minorities and children; life sciences research, including medical research and the proper administration of funds for such research; smoking prevention; and grants for early childhood care and education?

Additional tax of two and three-quarters cents per cigarette and an additional tax of twenty percent of the manufacturer's invoice price for tobacco products other than cigarettes would generate net annual state revenues of approximately \$342,636,000; local fiscal impact, if any, is unknown.
