August 13, 2018

Dear Consultant:

Jefferson County is requesting interest from firms that would like to participate as an on-call professional service provider under a contract term from January 1, 2019 through December 31, 2020. Attached is a general description of services for a consulting engineering firm to perform under this specific on-call contract with Jefferson County, Missouri.

If your firm would like to be considered for these professional services, you may express your interest by responding to the appropriate office, which is indicated on the attachment. Limit your letter of interest to no more than six (6) pages, which can exclude any submittal memorandum provided. This letter of interest should include any information which might help Jefferson County in the selection process, such as the persons or team that your firm could assign to any given on-call project; the background of those individuals; and other projects your company has recently completed or are now active that might be relevant to this request for qualifications.

Jefferson County will evaluate firms based on a) experience and competence, b) the capacity of the firm to perform the work in the timeframe needed, c) past record of performance, and d) proximity to and familiarity with the project area (reference: 23 CFR 172 Administration of Engineering & Design Related Service Contracts and RSMo 8.285 through 8.291).

It is required that your firm's current Statement of Qualification (RSMo 8.285 through 8.291) and an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15 CSR 60-15.020) be submitted with your firm's Letter of Interest (LOI), or be on file with the Jefferson County Department of Public Works office. The SOQ is not included in the total page count limit for the LOI. **Please do not send Jefferson County five (5) copies of your SOQ.**

All letters of interest must be received by 4:00 pm, September 28, 2018 at the Jefferson County Department of Public Works, PO Box 100, Hillsboro, Missouri 63050.

Sincerely,

Jason Jonas, P.E.
Public Works Director
