

## **Frequently Asked Questions for Old Antonia Road Bridge STP-5403(630)**

### **1. When will the project start?**

Based on a time frame analysis of past similar projects, the “Notice to Proceed” date would fall late December for a project having a letting date of September 16, 2014. The County does not desire certain roads to be shut completely down during the Winter period, especially if work cannot proceed in a timely manner. The County will be reasonable in allowing this contract to start in the Spring of 2015.
