## SPECIFICATIONS FOR INSULATION OF THE SOUTHWEST/ CONSTRUCTION BUILDING

### GENERAL REQUIREMENTS:

This bid is for the insulation of the Southwest/ Construction District Building located at the lower lot at 5275 Highway B, Hillsboro, Missouri 63050. Prevailing wage is applicable. Below are the measurements of the doors and walls of the building. The building is a metal building used to house roadway maintenance materials and equipment.

### SPECIFICATIONS:

- Contractor will be required to do any framing necessary to attach insulation. The office areas and lighting areas of the building could require framing prior to insulation.
- Walls will be insulated with R-13 at 4" thickness ( see drawing for details)
- Insulation must be supported by braces – 2' on center max spacing.
- Ceiling will be 12", R-38, 4' wide vinyl back.
- Ceiling insulation to be installed over mesh to support the insulation. Mesh to be installed and purchased by contractor.
- The garage doors (5- see drawing for dimensions) will be insulated with 1" thick ISO board or equal braced 3' on center.
- The insulation shall be installed according to code and have the appropriate fire rating for its intended use and location.
- The contractor is responsible for any inspections or permits required with the project.
- The work area must be kept clean of debris as the building is an active location for employees.
- Work area shall be coordinated in advance between contractor and County designated person.
- Care should be taken to install insulation over lighting as to not damage insulation or cause a fire hazard
- The insulation project must be completed by January 15, 2016

### BID:

Contractors bid amount for insulating project described above: \$ 24,850.00
