Response: Office Depot takes exception to providing Professional Liability Insurance. Office Depot can provide an appropriate level of insurance coverage for the County. Currently, our insurance provider is National Union. Office Depot has the following coverage:

- Workers Compensation – statutory coverage for all states. \$1 million each loss self-insured retention.
- Commercial General Liability – \$1 million each loss self-insured retention, with \$15 million aggregate.

- Automobile Liability – all owned, hired and non-owned autos are covered to \$2 million per accident.
- Employee Dishonesty/Third Party Fidelity Bond – \$20 million.

Office Depot has included our Memorandum of Insurance with our response which includes all of our insurance coverages and amounts of coverage. We do not agree to provide Professional Liability Insurance, as that would not be applicable to the services that we are providing on any resulting agreement. The above is in no way a certificate of insurance, or a legal representation of binding coverage. It is intended as a general outline of what intended coverage will be. At the time of finalization, Office Depot will provide a Memorandum of insurance that documents binding coverage. Please refer to the attached, Office Depot Inc. Sample Certificate of insurance.

1.13 BID SUBMISSIONS

Bids submitted on separate forms are NOT acceptable unless specified in the Bid Document. Failure to complete bid forms to the satisfaction of the County may result in rejection of your bid. Jefferson County considers that the failure to pay any and all real or personal property taxes due Jefferson County, Missouri, the failure to report all real or personal property owned, held or used in Jefferson County, the failure to provide proof thereof, and/or the failure to keep said tax bills current shall be deemed a material breach of the contract and will subject the contract to immediate cancellation. All taxes, due and owing, must be paid in full at the time the bid is awarded by Jefferson County and remain paid during the entire term of the contract unless the prospective Bidder provides proof that the Bidder does not own real or personal property in Jefferson County. This requirement shall not apply to the award of bids for projects which are funded in whole or in part by Federal funds.

2.3 CERTIFICATION OF INDEPENDENT PRICE DETERMINATION:

- The prices in the bid shall be independently determined, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to price with any Bidder or other person.
- Unless otherwise required by law, the prices shall not have been knowingly disclosed by the Bidder prior to opening.
- No attempt has been made or will be made by the Bidder to induce any other person or firm to submit or not to submit a bid.

2.4 PRICE:

The price(s) specified in this bid shall be firm and not subject to contingency or reservation. If the Vendor fails to honor stated prices as submitted in the Bid Form or Contract, the County reserves the right to obtain the same items from the next lower vendor who submitted a bid price for the item. The original vendor shall be responsible for the difference in price and required to make restitution to the County for the difference in price. The Bidder represents prices specified in the bid do not exceed current selling price for the same or substantially similar good or service, and are the same as or lower than other prices charged to the Bidder's most favored customer. In the event the stated prices are determined to be higher than the prices for which Supplier has sold the items, or services, to others, this contract price shall be reduced accordingly. **Bid prices are ALL INCLUSIVE: (Shipping, Handling, Delivery, and Assembly to locations specified by the County). Prices shall be firm for ALL County departments and locations for term of the agreement.**

Response: Office Depot offers competitive pricing to each customer based on several factors, including Office Depot's total delivered cost, the customer's unique service level requirements, the customer's total volume of spend, and the customer's product mix. Because Office Depot customizes its pricing for each individual customer based on numerous factors, and because each customer is unique in its requirements, spend and product mix, we are unable to guarantee that one particular customer's pricing is as favorable as any other customer's pricing at the SKU-level. However, Office Depot is committed to providing each customer the best valued program that suits such customer's needs.

1. CORE LIST PRICING. Office Depot agrees to supply to Customer those office products and services as set forth on the pricing file included in the bid documents (the "Core List") at the prices listed. With the exception of paper and toner/ink items, Core List pricing will be held firm for one year from the Effective Date of any resulting agreement and thereafter will be firm for one year and updated on an annual basis. Pricing for paper and toner/ink items on the Core List will be firm for three months from the Effective Date and will fluctuate with market conditions. Upon request, and when available, Office Depot shall provide Customer with manufacturer documentation to verify that paper and toner/ink price adjustments are being appropriately passed through to Customer. Office Depot will meet with Customer on an annual basis (or as otherwise necessary) during the "Initial Term" (as hereinafter defined) and any "Renewal Term" (as hereinafter defined) to review the products and services on the Core List. In addition, the products and services on the Core List, and the prices thereof, may be updated from time to time upon notification by Office Depot to Customer (including via e-mail).

2. NON-CORE ITEM PRICING. Items not on the Core List ("Non-Core Items"), but which are identified in the primary printed catalog in use for account customers (also known as "contract" customers) of the Business Solutions Division that is in circulation at the time of the order ("BSD Catalog"), will be priced at a discount up to 5 % off of the regular sales price (promotions excluded) set forth on www.officedepot.com at the time of the order, exclusive of bulk pricing discounts or other specials. Notwithstanding anything herein to the contrary, the aforementioned discount shall not apply to (i) products in the following categories (as such categories are identified on www.officedepot.com): Technology, Custom Printing, Breakroom Supplies, Food and Beverage, Copy and Print Services, Promotional Products, Furniture, Mail Room and Shipping Supplies, Gift Cards, and Warranties; and (ii) clearance items and promotional items, including, but not limited to, Instant Savings, Coupon Savings, Mail-In Savings, and Bundled Savings (collectively, "Excluded Categories"). Non-Core Items that are not identified in the BSD Catalog shall not be subject to the discounts or pricing methodology otherwise set forth in this Agreement. Rather, prices for such items, as well as Excluded Categories, will be established by Office Depot in its discretion and will be presented to the Customer at the point of sale or otherwise at the time of order placement.

Any claim by a Supplier for adjustment under this clause shall be asserted within fifteen (15) days from the date of receipt of this written order directing the change, provided, however, County, if it decides that the facts justify such action, may receive and act upon such claim asserted at any time prior to final payment.

2.12 DELIVERIES:

Deliveries shall be made in strict accordance with any delivery schedule contained in the bid specification or contract and in the exact quantity ordered. Failure to adhere to delivery schedule is reason for termination in accordance with the "termination" clause. Deliveries are to be made at locations specified by the County at time of Order.

2.13 RESPONSIBILITY FOR SUPPLIES:

Pursuant to Section 290.560 RSMo, Supplier/Contractor shall employ only Missouri laborers and laborers from nonrestrictive states except that other laborers may be used when Missouri laborers or laborers from nonrestrictive states are not available, or are incapable of performing the particular type of work involved, if so certified by the contractor and approved by the County.
