Sterilization of Animals

Dogs over 4 months of age

\$ 70.00 per dog

Cats over 4 months of age

\$ 70.00 per cat

Instructions: This fee is all inclusive for sterilization service fees. When abnormal or unusual medical circumstances exist, which would result more intense levels of care or service, additional fees may be charged only with the prior approval of the Animal Control Manager.

Bidding Information: The Veterinarian shall provide spay or neuter sterilizations of dogs and cats from the County at the rate indicated above, per dog and per cat sterilization performed. The County will contact the Veterinarian for a sterilization appointment and shall deliver the animal to the Veterinarian's private practice office on the morning of the animal's scheduled surgery. The animal's owner will take possession of the animal from the Veterinarian's private practice office, following the procedure. If approved by the Veterinarian, cat neuters may be performed at the Animal Control Center on the day of the Veterinarian's scheduled visit. The County will contact the Veterinarian before their scheduled visit and verify availability to perform the neuter.

General Health Examination

DHLPP+ CVK, if needed

\$25.00 per puppy

FVRCP-C, if needed

\$25.00 per kitten

Intra-Nasal Bordatella

\$25.00 per dose

Rabies vaccinations, if needed

\$25.00 per animal

Heartworm Test

\$40.00 per animal

Fecal Examination

\$20.00 per animal

Feline Leukemia Test

\$40.00 per cat

Microchip Installation, if requested

\$10.00 per animal

Instructions: When animals are brought to the veterinarian's office from the Animal Control Center as part of an adoption, any examination and/or treatment exceeding those indicated above must be approved by the animal's adoptive owner; and will be paid by the adoptive owner. Services provided to animals delivered to the veterinarian's office by rescue groups will not be paid by the Animal Control Center.

Bidding Information:

- The Veterinarian shall provide General Health Examinations and Vaccinations, as needed, at the rates indicated above.
- The Veterinarian may provide any additional vaccinations as recommended to and/or requested by the animal's new owner, at rates determined by the Veterinarian and billed to the new owner.

- C. The County shall, whenever possible, microchip, de-worm, and administer initial DHLPP+CVK or FVRCP+C, and rabies vaccinations, to all animals prior to delivering the animal to the Veterinarian. The County will provide all available medical records to the Veterinarian when the animal is transported for sterilization or examination.

Office Visit, Examinations, Treatments and Euthanasia Services

Office Visit at Veterinarian's Private Practice

\$35.00 per office visit

Euthanasia services at Private Practice

\$15.00 per animal

Instructions: This "office-visit" fee will be charged once per office visit, per animal delivered for examination and treatment, and once per animal or group of animals delivered for euthanasia. Fees for examination and treatment will vary based on the animal's condition and needs. Examinations and treatment estimated to exceed \$500.00 must be approved by the Animal Control Manager prior to beginning the treatments. The euthanasia fee is a flat fee that will reflect the combined costs of euthanasia solution, supplies and administration of the solution per animal euthanized.

Bidding Information:

A. Sick or injured animals brought into the Veterinarian's private practice office will be examined at the office visit rate indicated above. The Veterinarian shall provide emergency medical examinations and treatments not to exceed the amount of \$500.00, report the findings to the Animal Control Manager, and offer a recommended course of action. The Animal Control Manager will make the decision on a course of action based on the recommendation of the Veterinarian and County budgetary considerations, to provide treatments in excess of \$500.00.

B. An animal or group of animals delivered to the Veterinarian's private practice for euthanasia services shall constitute one "office-visit."

Animal Control Center Euthanasia Services \$265.00

Minimum On-Site Euthanasia Services ~~\$250.00~~ per visit for up to 15 animals

\$15.00 per animal over minimum indicated above

Instructions: This fee reflects the minimum fee for coming to the Animal Control Center to perform euthanasia services and administer rabies vaccinations. This fee is a flat rate that includes the euthanasia of a prescribed number of animals. When on-site euthanasia services are required for fewer than the prescribed number of animals indicated above, the flat rate will be paid. When the number of animals to be euthanized exceeds the prescribed number of animals for the flat rate, the "per-animal" rate will be added. The "per-animal," rate is only applied when the number of euthanasia's performed exceeds fifteen, not if the number of animals vaccinated exceeds fifteen.

Bidding Information:

A. The Attending Veterinarian shall provide euthanasia services and administer rabies vaccinations of animals at the Animal Control Center, when requested, at a rates and minimum number of animals indicated above. This rate shall include the cost of any sedatives and controlled substances necessary to perform euthanasia. The County shall provide all other man-power, needles, syringes and equipment necessary to perform euthanasia or needed when administering rabies vaccinations.

B. The County shall provide all rabies vaccinations, rabies certificates, rabies tags, and other related supplies.

Please check which euthanasia services can be provided:

Consultation Services

Annual Program Review

\$100.00 per review

Instructions: This service will be provided annually, when the Attending Veterinarian is requested by the Animal Control Manager to review the Animal Control Center's euthanasia and shelter medicine programs.

Bidding Information: The County shall provide the Veterinarian with a copy of the Animal Control Center's Euthanasia and Shelter Animal Health Care Program protocols annually. The Veterinarian will review the program protocols and make recommendations, as necessary, to ensure the adequate health and care of the animals in the custody of the County; and to ensure euthanasia of animals is accomplished in accordance with the standards as set forth by the American Veterinary Medical Association's Guidelines on Euthanasia. This annual review will be at the rate indicated above.

\$265.00

Investigative Service Consultation at the Scene
additional hour

\$250.00 per first hour, \$150.00 per each

Investigative Service Consultation at Private Practice \$125.00 per case

Instructions: The Attending Veterinarian will assist Animal Control with investigations of alleged animal neglect, abuse and cruelty at the request of the Animal Control Manager. Investigative consultation will generally consist of examinations of animals and providing a written evaluation of the animal's overall appearance and condition. Generally, the animals will be transported to the Veterinarian's private practice, although some large-scale circumstances might require the Veterinarian to come to the scene or Animal Control Center. This flat rate service fee reflects fees for services provided when responding to the scene and fees for services provided when animals are delivered to the Veterinarian's private practice for examination. Any additional testing, internal examinations or necropsy may be required, and additional reasonable fees may be added with prior approval of the Animal Control Manager.

Bidding Information: The Attending Veterinarian shall assist the County with animal neglect, abuse and cruelty investigations, as requested, by providing examinations of animals, formulating a professional opinion of the animal's condition and providing a written report of the findings to the County. For large scale incidents, the Attending Veterinarian may be called to the scene of the alleged neglect, abuse or cruelty. These services shall be provided at the rates indicated above for each consultation location. The rates quoted in this paragraph shall only be applicable to those requests made by the Division of Animal Control.

Additional Information:

Instructions: The following information will be including in the contract. These items do not require bidding, but are provided for the veterinarian's knowledge when considering their bid.

Bidding Information:

1. The Veterinarian shall apply for and obtain an Animal Care Facilities Act license from the Missouri Department of Agriculture prior to rescuing animals from the County and placing said animals up for adoption or rescue through the Veterinarian's Private Practice.
2. Veterinarian understands that this is not an exclusive contract. The County reserves the right to enter into multiple contracts for veterinary services.
3. The term of this agreement is for one year from the date of its execution. The County may extend the length of the term of this agreement for an additional one year term. Any extension must be approved by the County in writing. This agreement may be terminated by either party by providing thirty (30) days written notice to the other party.
4. Both the County and the Veterinarian agree that the Veterinarian will act as an independent contractor in the performance of its duties under this agreement. Accordingly, the Veterinarian shall be responsible for payment of all taxes including Federal, State and local taxes arising out of the Veterinarian's activities in accordance with this agreement, including by way of illustration but not limitation, Federal and State income tax, Social Security tax, Unemployment Insurance taxes, and any other taxes or business license fees as required.
5. The Veterinarian shall not assign any rights or delegate any duties under this agreement without the express written consent of the County.
