SEALED BID: (BID NAME)

Contract Term:
**ONE YEAR CONTRACT
WITH TWO ONE YEAR
RENEWAL OPTIONS
UPON APPROVAL OF THE
COUNTY COUNCIL AND
COUNTY EXECUTIVE**

The undersigned certifies that he/she has the authority to bind this company in an agreement/contract to supply the commodity or service in accordance with all terms, conditions, and pricing specified. This Bid, if accepted, will constitute an Agreement and Contract with Jefferson County, Missouri, upon approval of the County Council and County Executive. Prices are firm during this agreement term, unless agreed upon in writing by the County. The County has the option to renew this agreement at the same terms and conditions as the original agreement for two additional one-year terms with the written consent of the successful Bidder. Price increases for renewals are not authorized unless approved in writing by the County.

TERM OF CONTRACT

This contract will remain in effect for 12 months from the date of acceptance. The County of Jefferson reserves the right to renew this contract for two additional 12-month periods at the same discounts, terms and conditions with the written consent of the successful bidders.

MATERIALS

All stone or crushed limestone shall be sound, durable, and free from cracks and other structural defects that would cause it to deteriorate. It shall not contain any soapstone, shale, or other material easily disintegrated. The following are some examples of materials that the County would likely use. Please show on your submitted price sheet the material(s) that meet these criteria:

Quarry Run: Crushed limestone and screenings to be used for subgrade replacement shall be crusher-run, 2½ inch maximum size (95% to 100% passing a 2½ inch screen) graded to allow satisfactory compaction.

Rock Blanket: Material meeting Section 611.30 of the Missouri Standard Specifications for Highway Construction for Type 1 or Type 2 Rock Blanket.

Gabion Rock: Well-graded hard durable limestone shall be 10-inch maximum size (95% to 100% passing a 10 inch screen) and a 4 inch minimum size.

Revetment Stone: Material meeting Section 611.50 of the Missouri Standard Specifications for light stone revetment or heavy stone revetment.

“LARGE STONE 2019”

Please see pricing below for all Bussen Quarries operations located in Jefferson County.

Antire Quarry: 6800 Bussen Road Eureka, MO 63025

Trautman Quarry: 8799 Trautman Quarry Road Pevely, MO 63070

House Springs Quarry: 5200 Hillsboro-House Springs Road House Springs, MO 63051

Pricing below is good at all three above locations. Haul rates with an added large stone surcharge are included on the bid sheet based on mileage and may vary slightly between the various quarries.

Quarry Run is available at all three locations as 2" Minus for \$ 5.90/ton at Antire and House Springs and \$ 5.60/ton at Trautman.

Gabion is available at Antire Quarry and is priced at \$ 11.90/ton.

3"x10" Clean is available at Trautman Quarry and House Springs Quarry for \$ 11.40/ton

All locations supply large stone via handmade “DROP BALL ROCK”. Drop Ball Rock is sold as-is and produced in an effort to meet the specific desired gradation of various Rock Ditch Liner and Revetment stones on a per job basis. If a specific gradation is requested beyond the normal material we keep on the ground, a visual approval is required before sale. There are no guarantees made as to the gradation especially in terms of the fines allowed in a pile. Advanced notice and desired gradation are required for any special orders requested. Our standard Drop Ball usually contains a 24" top size with graded material included.

Drop Ball Rock is available at all three locations for \$ 14.00/ton.

Special Order Drop Ball Rock is \$ 20.00/ton.

Haul surcharges:

\$.75/ton for Gabion and 3" x 10".

\$ 1.50/ton for Drop Ball.

SPECIFICATIONS FOR LARGE STONE PRODUCTS

GENERAL REQUIREMENTS

This bid is for the purchase of Large Stone Products for use in the maintenance of roads and bridges maintained by Jefferson County Public Works.

The County reserves the right to purchase Large Stone Products at any supplier when the County determines it is in its best interest due to pricing, or when requirements exceed these guidelines, or for special materials which are normally only a special order item.

INVOICE AND PAYMENT

Supplier shall submit statements with original copy of invoice showing the description, quantity shipped, unit and total supplier's list price. The quoted discount shall be shown on the invoice and applied to derive the net cost. The department will process payments against these statements.

BID PRICES

Contract shall be based on net price resulting from percentage discount from specified quarry price lists. Current quarry price sheets shall be submitted with the bidding documents.

Base price is for materials picked up in your yard by County vehicles. Bidders should also include an add-on price for hauling to locations specified by the County at time of delivery. Stockpile delivery to County locations listed below will receive five (5) working days' notice to fill order. Material will be ordered as needed. Site spread delivery will receive a minimum of twenty-four (24) hours' notice to begin delivery. Delivery order will be a minimum of 200 tons. Delivery distance for site spread to be computed to the center of the project.

Vendor is instructed to contact Kurt Wengert (636) 797-5427 regarding any and all questions concerning this contract.

Stockpile locations will be as follows:

| | |
|------------------------|---|
| De Soto Building | 2960 Lee Pyle Road, off U.S. Hwy. 67 |
| Hillsboro Building | 5275 State Highway B at Butcher Branch Road |
| House Springs Building | 6460 State Highway MM |

Contract Term:

**ONE YEAR CONTRACT
WITH TWO ONE YEAR
RENEWAL OPTIONS
UPON APPROVAL OF THE
COUNTY COUNCIL AND
COUNTY EXECUTIVE**

The undersigned certifies that he/she has the authority to bind this company in an agreement/contract to supply the commodity or service in accordance with all terms, conditions, and pricing specified. This Bid, if accepted, will constitute an Agreement and Contract with Jefferson County, Missouri, upon approval of the County Council and County Executive. Prices are firm during this agreement term, unless agreed upon in writing by the County. The County has the option to renew this agreement at the same terms and conditions as the original agreement for two additional one-year terms with the written consent of the successful Bidder. Price increases for renewals are not authorized unless approved in writing by the County.

TERM OF CONTRACT

This contract will remain in effect for 12 months from the date of acceptance. The County of Jefferson reserves the right to renew this contract for two additional 12-month periods at the same discounts, terms and conditions with the written consent of the successful bidders.

MATERIALS

All stone or crushed limestone shall be sound, durable, and free from cracks and other structural defects that would cause it to deteriorate. It shall not contain any soapstone, shale, or other material easily disintegrated. The following are some examples of materials that the County would likely use. Please show on your submitted price sheet the material(s) that meet these criteria:

Quarry Run: Crushed limestone and screenings to be used for subgrade replacement shall be crusher-run, 2½ inch maximum size (95% to 100% passing a 2½ inch screen) graded to allow satisfactory compaction.

Rock Blanket: Material meeting Section 611.30 of the Missouri Standard Specifications for Highway Construction for Type 1 or Type 2 Rock Blanket.

Gabion Rock: Well-graded hard durable limestone shall be 10-inch maximum size (95% to 100% passing a 10 inch screen) and a 4 inch minimum size.

Revetment Stone: Material meeting Section 611.50 of the Missouri Standard Specifications for light stone revetment or heavy stone revetment.

In emergency, can we call you after regular hours? YES NO

If yes, name party to call: Randy Hackworth

Telephone number: 314-435-4707
