16. Project Details: Re-aligning portions of Seckman Road with a new horizontal and vertical alignment through the Mastodon State Park. Adding 8' paved shoulders to the South Side of Seckman Road, while also adding curb and gutter sections on the North Side of Seckman Road, along with adding a closed drainage system. New striping and signs are also included within the project. This project will allow for connectivity between the many nearby subdivisions to access the Mastodon State Park amenities. This project will tie into Phase 1 and also tie into the widened section near West Outer Road.
